

Marine Safety Information Bulletin 90-24

MSIB – New Harbor Bridge Issue Date: November 25, 2024

The Coast Guard is advising all mariners to exercise caution and remain within the skin of the ship while transiting under the Corpus Christi New Harbor Bridge due to fall hazards created during construction. It is recommended practice until further notice to ensure safety of vessel and crew during transit.

Concerned parties with urgent concerns can contact the U.S. Coast Guard Sector Corpus Christi Command Center at 361-939-0450; or for non-urgent questions and concerns, email <a href="https://www.cc.nil.gov/cc.
